

July 10, 2020

FOR IMMEDIATE RELEASE: Revised

As the start of the fall semester at App State approaches and cases of COVID-19 increase, AppalCART has identified the need to try and lessen the time passengers are spending on the buses in a confined area. This has required us to remove the following stops from our transit system beginning August 10, 2020:

Top of Bodenheimer (Going up Bodenheimer)

ASU Main Entrance

Studio West

ASU Walker Hall / Rivers St

Dan'l Boone Inn

ASU Child Development Center

Applebee's

Homespun Hills

W. King St/ Water St

Earth Fare

Town Hall

Graggville Rd

Boone Bagelry

ASU University Hall

Horn In the West Drive

App South PSI

Brookhollow Rd/Bluebird Ln

Old Waterloo

Gilbert Barnes Rd

Old Bristol/ US 421

US 421/ Old Bristol

Hardin St/Daulph Blan St

Hub Brown Rd

Feids Way

These changes should allow the buses to stop less frequently to keep air circulating on the bus. They will also assist in improving on-time performance.

We appreciate the patience of all of our passengers as we work to provide the safest transportation possible.
